

Total Telecom - Friday Review: Mexican mobile moves

Escrito por Administrator

Viernes, 15 de Enero de 2010 15:16

Domestic fixed-line operators Axtel and Maxcom Telecomunicaciones, and cable and TV companies Grupo Televisa, TV Azteca and Megacable have all bought rules for both the 1850-1990 MHz and 1710-2170 MHz auctions, and are the most likely ...
